Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Big Brothers Big Sisters of Flint and Genesee County as of June 30, 2018, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.
Report on Summarized Comparative Information

We have previously audited Big Brothers Big Sisters of Flint and Genesee County’s June 30, 2017 financial statements, and we expressed an unmodified opinion on those audited financial statements in our report dated December 14, 2017. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2017, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of functional expenses on pages 11-12 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Note 1 - Description of Operations and Summary of Significant Accounting Policies

Description of Operations:

Big Brothers Big Sisters of Flint and Genesee County (“the Agency”) is a Michigan nonprofit organization providing services for children and their families by adult volunteers, primarily on a one-to-one basis, under the supervision of professional staff. The children accepted into the program are those whose needs exceed the support and nurturing available from their families, schools, churches or neighborhood organizations.

Method of Accounting:

The financial statements of the Agency have been prepared using the accrual basis of accounting. Under this method, revenues are recorded when earned, and expenses are recorded when incurred.

Tax Exempt Status:

The Agency is recognized by the Internal Revenue Services as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and, accordingly, is exempt from income taxation.

Financial Statement Presentation:

The Agency prepares its financial statements in accordance with FASB Accounting Standards Codification (ASC) 958-205 and subsections. Under ASC 958-205, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Organization is required to present a statement of cash flows.

Support from Grantors and Contributors:

Support from grantors and contributors is recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Support from grantors is required to be reported as temporarily restricted and is then reclassified to unrestricted net assets upon expiration of the restrictions.

Cash and Cash Equivalents:

Cash and equivalents are short term investments that are readily convertible to cash or have a maturity date of 90 days or less from the date of purchase. Cash equivalents designated for long-term investment have been segregated from cash and are listed as investments on the statement of financial position.

Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.
Note 2 - Cash and Investments

The Agency holds deposit accounts at two separate local financial institutions. At June 30, 2018, the carrying amount of deposits was $384,469 and the bank balance was $381,310. Of the bank balance, $250,195 was covered by Federal depository insurance and $131,115 was uninsured and uncollateralized.

Investments consist of an "agency trust" administered by Merrill Lynch and a stock investment in Principal Financial Group, Inc. Trust assets are invested in money market funds (cash equivalents), U.S. Treasury and corporate notes of varying maturities and interest rates (fixed income obligations), and various corporate stocks (equities). Investments are reported at fair value on the Statement of Financial Position.

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. The values of these investments at June 30, 2018 and 2017 are as follows:

<table>

<tr>

Note 3 – Summary of Fair Value Exposure

The FASB *Fair Value Measurement* standard clarifies the definition of fair value for financial reporting, establishes a framework for measuring fair value, and required additional disclosure about the fair value measurements in an effort to make the measurement of fair value more consistent and comparable. The Agency has adopted this standard for its financial assets and liabilities measures on a recurring basis (ASC 820-10).

*Fair Value* measurement defines fair value as the amount that would be received from the sale of an asset or paid for the transfer of a liability in an orderly transaction between market participants, i.e. and exit price. To estimate an exit price, a three-tier hierarchy is used to prioritize the inputs:

- **Level 1**: Quoted prices in active markets for identical securities. The Agency had $394,439 and $361,331 invested in Level 1 investments for the years ended June 30, 2018 and 2017, respectively.
- **Level 2**: Other significant observable inputs (including quoted prices for similar securities, interest rates, prepayment spreads, credit risk, etc.) The Agency did not have any Level 2 investments.
- **Level 3**: Significant unobservable inputs (including the Agency's own assumptions in determining the fair value of investment), The Agency did not have any Level 3 investments.

The inputs and methodology used for valuing the Agency's financial assets and liabilities are not indicators of the risks associated with those instruments.

The following methods and assumptions were used to estimate the fair values of the assets and liabilities in the table above:

- **Level 1**: The fair value of the Agency's investments in marketable equity and debt securities is based on quoted market prices.

Note 4 - Building and Equipment, and Depreciation

A summary of building and equipment at June 30, 2018 and 2017 is as follows:

</tr>
<tr>
<td>Total</td>

</tbody>
</table>

Depreciation is calculated using the straight-line method over the respective useful lives. Depreciation expense for the years ended June 30, 2018 and 2017 amounted to $3,243 and $5,831, respectively.

INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

November 12, 2018

Board of Directors
Big Brothers Big Sisters of Flint and Genesee County
Flint, Michigan

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of Big Brothers Big Sisters of Flint and Genesee County (a nonprofit organization), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities, and cash flows for the year then ended, and the related noted to the financial statements, and have issued our report thereon dated November 12, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Big Brothers Big Sisters of Flint and Genesee County’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Big Brothers Big Sisters of Flint and Genesee County’s internal control. Accordingly, we do not express an opinion on the effectiveness of Big Brothers Big Sisters of Flint and Genesee County’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.
Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Big Brothers Big Sisters of Flint and Genesee County's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization’s internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the organizations’ internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
